## PRICE LIST

I have created this price list in an effort to simplify my pricing schedule. There are three options to choose from when requesting longarm quilting services: Edge to Edge, Semi-Custom, and Custom. If you choose the Custom Option, there will also be a \$20 computer setup fee. These prices include thread and bobbins (up to 3 bobbins). If your quilt requires more than 3 bobbins of thread, additional bobbins will be charged at \$1.50 each. You may provide your own batting, backing, and/or binding fabric if you prefer.

Ask me about additional services that are available such as piecing and creating a special label to celebrate your quilt! The pricing for machine quilting is for your use in estimating the cost of having your top quilted. Please remember that each quilt is different. I'll be happy to calculate a free estimate based on your actual needs for your quilt top. Prices are subject to change without notice. Estimates are not contractual bids. Written estimates are free and are honored for 60 days. ☺
